USPA NEWS - Argentina GP 2022 MotoGP

MotoGP Argentina today is the third round of the 2022 season. Argentine Grand Prix Termas de Rio Hondo International Circuit.

Despite the inconvenience caused by freight delays, the schedule for Sunday remains the same, with a 20-minute warm-up session followed by the race itself.

The MotoGP FP3s have been canceled as freight has yet to arrive at the Termas de Rio Hondo circuit. The two remaining free practice sessions in the premier class have been extended to one hour each, one at 16:35 UK time and one at 19:40, just before the two qualifying sessions.

Sunday's program sees a slightly early start to host an extended warm-up, now 40 minutes, for MotoGP.

Aleix Espargaro is the first rider to win with Aprilia in the premier class. This victory, as well as being his first victory after 284 races, of which 200 in MotoGP, is more beautiful for him because nobody had ever won with Aprilia MotoGP, besides Aleix and all the Aprilia technicians have been working hard on this project since 2017.

This is a tremendous success after a lot of suffering and courage because

Aleix in 2016 had left the factory Suzuki to then sign with Aprilia, all to be built.

This is the ranking of the Argentine GP 2022 which will take place on the Termas de Rio Hondo circuit

1st Aleix Espargaro

2nd Jorge Martin

3rd Alex Rins
